

ACADIA UNIVERSITY

One of the **oldest and most respected** liberal arts universities in Canada.

Founded in 1838, Acadia University is one of the oldest and most respected liberal arts universities in Canada. Located just a one-hour drive from Halifax, Nova Scotia and its international airport, Acadia is an integral part of the quintessential college town of Wolfville, overlooking the Annapolis Valley and the Bay of Fundy.

At Acadia, you'll enjoy small class sizes, opportunities to participate in research, a top-rated Co-operative Education program, and individual attention from your professors.

Scholarships and Financial Aid

More than \$5 million scholarships are awarded annually

Scholarship Tiers

- **Tier 4** (80-84.9%): \$500 per year + \$500 toward residence room (\$4,500 total)
- **Tier 3** (85-89.9%): \$1,000 per year + \$500 toward residence room (\$6,500 total)
- **Tier 2** (90-94.9%) : \$2,000 per year (\$8,000 total)
- **Tier 1** (95%+): \$2,500 per year (\$10,000 total)

Note:

All amounts are for up to 4 years. Tiers 3 and 4 include an additional \$500 toward residence room in year 2. Scholarship considerations begin at 80%

- 2nd Class, Lower Division (B-, 50%, or 2.7/4.0)
- IELTS: 6.5/6 | PTE: 61/60
- Tuition Fees: \$23,079.15
- Intake: Jan, May, Sep

Faculty of Arts

Programs and courses taken through the Faculty of Arts better inform us of our shared cultural inheritance, and also assist in the shaping of an inquiring and critical mind. At their core, the Arts play a central role in helping us to develop individual and societal senses of moral responsibility, the desire to work for the welfare of others, and the recognition of the need to be open and respectful to different ways of thinking and cultural traditions.

Faculty of Professional Studies

The Faculty of Professional Studies, grounded in Acadia's liberal education tradition, provides professional preparation through degree programs in Business, Community Development, Education, Kinesiology, and Music. The Faculty of Professional Studies is focused on providing personalized education in order to meet students' specific educational interests and needs. The Faculty is mindful of a changing society and is committed to exploring important social issues facing us, including the environment and globalization.

Faculty of Pure and Applied Science

Science is a process of understanding the universe driven by curiosity and need. At Acadia, you will work closely with your professors and in the community, using evidence to evaluate, build, and transform knowledge. The Faculty offers unique and exciting opportunities to conduct groundbreaking discovery and applied research in our labs, field sites and with our partners.
