Welcome You All

We at Kwantlen Polytechnic University respectfully acknowledge that we live, work and study in a region that overlaps with the unceded traditional and ancestral First Nations territories of the x^wməθk^wəy^əm (Musqueam), qí cə y' (Katzie), SEMYOME (Semiahmoo), scə waθən (Tsawwassen), qiqéyt (Qayqayt), and kwikwəłə m (Kwikwetlem), and with the lands of the q^w a:nł é n' (Kwantlen) First Nation, which gifted its name to this university.

We are honoured to carry the Kwantlen name, bestowed upon the university by Grand Chief Joe Gabriel from Kwantlen First Nation. Kwantlen means Tireless Runner, and is reflected in our university's motto: Through tireless effort, knowledge, and understanding.

In the cause of reconciliation, we recognize our commitment to address and reduce ongoing systemic colonialism, oppression and racism that Indigenous Peoples continue to experience.

KPU

At KPU, we provide students with the skills they need for the careers they want. Our programs offer opportunities for classroom learning and real-world experience, including work-based training, practicums, applied research, studios, labs, field schools, co-operative education, and internships.
