## THE ACADEMIC ENRICHMENT PROGRAMME

---

### WORKSHOPS

- Delivered as in-class sessions
- Could be on generic topics (for first years) or based around specific upcoming assignments (for second and third years/PG year 2).
- Often delivered alongside the Module Tutors
- Cover topics such as academic writing, referencing, avoiding plagiarism etc.
- An entire repertoire of online resources

### DROP-IN SESSIONS

- These academic advising sessions are offered on a daily basis and are facilitated by a member of the CAS Team.
- The sessions are unstructured and students can just 'drop-in' and discuss any (non-subject specific) area of their academics that they are struggling with.

### INDIVIDUAL CONSULTATIONS

- These are typically 45 minutes to 1 hour sessions.
- Sometimes, lecturers encourage students to meet with the CAS Team; otherwise, students take initiative on their own.
- These are especially popular with our PG students.
