Whitecliffe

Why Study in New Zealand?

Culturally diverse, beautiful, and safe – New Zealand has the work-life balance that is the envy of the world. New Zealand is one of the most beautiful countries in the world.

Approximately 3.8 million visitors choose to travel to New Zealand each year to explore and experience our country's many scenic, adventure, and cultural activities. Approximately 110,000 of these visitors, from over 130 countries, decide to be an international student and study in New Zealand.

BEAUTIFUL

The scenery and landscapes in New Zealand are stunning and diverse, with mountains, beaches, and native bush all within easy travelling distance from Whitecliffe's four campuses throughout New Zealand.

New Zealand's towns and cities have less pollution and congestion than most other parts of the world, and nowhere in New Zealand is more than 119 kilometres from the sea.

DIVERSE

New Zealand is culturally diverse and home to people from all around the world. The culture, language, and traditions of the Indigenous Māori people play a vital role in shaping our national identity.

SAFE

New Zealand ranks second in the Global Peace Index's list of most peaceful countries in the world. New Zealand has high scores for safety and stability, meaning New Zealand is a safe place for you to travel and explore while you study.

CLEAN + GREEN

New Zealand prides itself on its serene and pristine landscape and clean and green attitude. Auckland is one of the greenest cities on the planet (Bloomberg, 2018). Strict environmental laws and emissions standards protect our environment. This ensures low levels of pollution and preserves our spectacular natural treasures, many of which are in easy reach.

PROSPEROUS

New Zealand has ranked in the top 10 in the Legatum Prosperity Index for the past 10 years – an index that looks at economic quality, business environment, governance, education, health, safety and security, personal freedom, social capital, and natural environment.

EMPLOYMENT OPPORTUNITIES

The New Zealand economy has grown significantly in recent years. Some skills are in demand and Immigration New Zealand publishes lists of skills shortages.

OUR CAMPUSES

Symonds Street: 67 Symonds Street

The Whitecliffe College head office and campus are based at 67 Symonds Street in the education hub of Auckland Central. This newly renovated campus provides a wide variety of high-quality art and design spaces, classrooms, and other learning facilities. This includes a library, art studios, darkrooms, screen printing facilities, a gallery, and a range of different computer suites to support specific student and programme needs. There are numerous food and entertainment options nearby, and public transport options are extensive and easily accessible.

Manukau: 3 Osterley Way

The Whitecliffe Manukau campus is located at 3 Osterley Way in South Auckland. The campus currently offers programmes in Fashion, Arts and Design, Digital Media, and Information Technology. The campus is situated above the Manukau City Public Library, and next to the main train and bus depot which makes public transport easily accessible. Downtown Auckland is just a twenty-minute drive from the campus. Westfield Manukau City, which is less than a minute from the campus, provides many food and entertainment options.

Wellington: 110 Lambton Quay

The Whitecliffe Wellington campus is located at 110 Lambton Quay. The city's compact size and efficient public transport system close to the centrally located campus makes it ideal for students. The campus is home to Whitecliffe's Information Technology and Fashion Technology programmes.

Christchurch: 167 Madras Street

The Whitecliffe campus in Christchurch is located at 167 Madras Street. The campus offers Information Technology programmes and is located close to the Innovation Precinct Zone. The Innovation Precinct Zone is a new hub for emerging businesses to help foster new ideas and growth in the Technology and Innovation sectors in New Zealand.
