Scholarships

Lincoln University scholarships for international students are awarded based on academic ability. These scholarships will provide a contribution towards tuition fees and are usually awarded for the first year of study.

English further study awards

Any student who successfully completes a minimum of 12 weeks of EAP will receive a fees rebate award when you enrol in your next academic programme.

Scholarships

The following Lincoln University scholarships for international students are awarded based on academic ability. Students must also meet both English and academic entry requirements.

Application deadlines:

- 31 January for Semester 1 intake
- 30 June for Semester 2 intake
- 31 October for November Summer School Semester intake.

Lincoln University International Pathway Merit Scholarship

Scholarships valued at NZ\$2,500 are available for new students seeking admission into the Pathway Certificate (Foundation) or First Year Pathway Diploma programmes.
