WELCOME TO PETERBOROUGH

Defined by the flow of the historic Trent-Severn Waterway and shaped by iconic architecture, Trent's 1400-acre Peterborough campus is a place where ideas move as freely as the Otonabee River that runs through it. The waterway connects campus to the vibrant city of Peterborough, and a downtown community where students love to shop, eat, work, and play. At the heart of it all is Trent's unique collegiate system: close-knit campus communities that blend living and learning, each with their own traditions, spaces, and supports. Here, you'll find a place to live and learn, and a place to truly belong.

AREAS OF STUDY

EXPLORE YOUR INTERESTS. FIND YOUR ACADEMIC PATH.

At Trent, we know choosing the right program is a big decision—and you don't need to have it all figured out on day one. This is a place where questions are just as important as answers, and exploring your interests is part of the journey. Our **areas of study** are designed to help you discover what excites you and find the program that fits who you are, and who you are becoming.

ARTS: HUMANITIES & SOCIAL SCIENCES

Explore human experience across time and cultures to think critically and better understand the world and your place in it.

BUSINESS, ECONOMICS & FINANCE

Explore how organizations, markets, and financial systems operate, developing the skills to lead in a dynamic global economy.

COMPUTER, DATA SCIENCE & MATHEMATICS

Analyze data, solve complex problems, and design innovative technologies to shape the future of our digital world.

ENVIRONMENT & SUSTAINABILITY

There's no better place to study the environment—Trent is home to one of Canada's top 5 environmental studies programs.

FORENSICS & BIOLOGICAL SCIENCES

Gain investigative and scientific skills through placements, biology labs, and state-of-the-art forensic facilities.

HEALTH, LIFE SCIENCES & MEDICINE

Hands-on learning in medical settings, access to cutting-edge research facilities, and direct pathways to medical and veterinary schools.

INDIGENOUS STUDIES & CANADIAN STUDIES

Examine Canada's complexity by studying Indigenous perspectives and diverse narratives at the university where these programs were born.

LAW & CRIMINOLOGY

Explore legal systems and criminal behaviour through immersive experiences that lead to justice-focused careers.

MEDIA, CULTURE & COMMUNICATIONS

Explore how media, technology, and culture shape society, and gain skills to create and influence change.

NURSING, SOCIAL WORK & COMMUNITY WELL-BEING

Prepare for frontline roles in healthcare and social services through applied, community-based education.

SCIENCE & TECHNOLOGY

Study in advanced STEM programs while gaining experience that connects your learning to industry and innovation.

SOCIETY, POLITICS & GLOBAL STUDIES

Understand global challenges through social justice, human rights, and community-based learning at home and abroad.

TEACHING & EDUCATION

Prepare to lead and inspire the next generation through hands-on learning rooted in purpose and care.

Nunc cognosco ex parte (Now I know in part) isn't just our motto—it's a reminder that learning is a lifelong process, and we're here to help you embrace it.
