LAND ACKNOWLEDGEMENT

Laurier's Waterloo and Brantford campuses are on the traditional territory of the Neutral, Anishinaabe and Haudenosaunee Peoples.

Laurier's Milton campus is located on the traditional territory of the Mississaugas of the Credit, and part of the Nanfan Treaty of 1701.

Acknowledging them reminds us of our important connection to this land where we live, learn and work. We recognize, honour and respect these nations as the traditional stewards of the lands and water on which Laurier is now present.

new room!

Live in residence | *University living the way you imagined.*

On our Brantford and Waterloo campuses, find your home away from home in residence. Brantford campus offers **apartment-style living**, while Waterloo campus offers **dormitory and apartment-style** accommodations. All residence rooms are furnished, secure and supported by 24/7 residence staff. Plus, you've got a **guaranteed spot** in first year!

Upper-year housing | *Available in Brantford and Waterloo.*

Available exclusively to international students, our **upper-year housing guarantee** gives students the option to live in residence in their upper years (in Brantford) or in off-campus housing managed by Laurier (in Waterloo).

Off-campus housing | *Go your own way — with a little help.*

All three campuses (Brantford, Milton and Waterloo) offer dedicated resources to help you find safe, student-friendly rental housing. In addition, Laurier has partnered with Places4Students.com to help as you search listings and prepare for independent living.

Off-campus connections | *Not on campus? No problem.*

If living off campus and commuting is right for you, stay connected through the **LOCUS (Laurier Off-Campus University Students)** program which brings the spirit of residence life to you. LOCUS offers the same great activities and leadership opportunities as living on campus while providing all the benefits of a commuter lifestyle.

Meal plans | *Fuel your day.*

On the **Brantford campus**, residence meal plans are **optional**, giving you more flexibility in how and where you eat. If you're living in residence on the **Waterloo campus**, a meal plan is **mandatory** and designed to keep you well-fed and focused. Students living **off campus** or at the **Milton campus** can enjoy access to campus dining services.

“The best part of living in residence was the **strong sense of community** and how **quickly it started to feel like home**. It was so easy to meet new people, build friendships and find a support system.”

— EMILEE S-G., BSC HONOURS SCIENCE,
TRINIDAD AND TOBAGO

How to apply and next steps.

Here's more information about **applying to Laurier** and **what you need to know** at each stage in the process.

1 Get ready to apply.

You can **apply to up to three programs** at Laurier. As you choose your programs, be sure to review:

- The specific requirements for each program.
- The campus where the program is offered.
- The admission requirements for your curriculum.
- If you will need to provide proof of English proficiency.

2 Submit your application.

To **ensure your application is ready** for assessment, you'll need to:

- Submit your application through the Ontario Universities' Application Centre (OUAC). » ouac.on.ca/undergrad
- Gather the required documents for your application.
- Access your Laurier applicant portal, which will be available after you apply through the OUAC.
- Upload documents as part of the supplementary application, which you will find in your applicant portal.

You will need to upload documents for each program you apply to.

* *Application Checklist*
wlu.ca/international/admissions

3 Support your application.

Enhance your application and provide additional information related to your academics:

- Submit the Applicant Background Summary (ABS) form, which you can find in your applicant portal. If your average is below the required minimum, this form could help you gain admission.
- Complete the Special Case and Extenuating Circumstances form, which you can find in your applicant portal. This is a personal statement where you can disclose any recent or present circumstances that have impacted your ability to achieve a strong academic standing.
- The deadline to submit your ABS or Special Case form is April 25, 2027, but we recommend submitting it within two weeks of applying.

4 Receive an admission decision.

Once we have all your **required documents**, we can begin assessing your application:

- We will make a decision on each program you've applied to at Laurier.
- An admission decision is made within two to four weeks but may take longer for competitive programs.
- We will email you when we've made a decision. You will be able to see the decision in your applicant portal.
- We will assess your application for your preferred program. If you don't meet the requirements for that program, you will automatically be considered for admission to an alternate program.
- Your offer will likely be conditional and you will have to clear any conditions on your offer by the deadline listed on your offer letter.

5 Accept your offer.

This is the **really exciting part**: accepting your offer to Laurier! When you're ready:

- Accept your offer through the OUAC.
- Pay your tuition deposit.
- Look for your PAL in your applicant portal after accepting your offer and paying your tuition deposit.
- Submit final, official documents that are needed to clear the conditions of your offer.
- Schools can email final documents to documentsubmission@wlu.ca.

APPLICATION DEADLINES

September 2027 Admission:

- Apply by **April 1, 2027**.
- Submit your required documents by **May 12, 2027**.
- Accept your offer of admission by **June 1, 2027**.

January 2028 Admission:

- Apply by **November 22, 2027**.
- Submit your required documents by **December 1, 2027**.
- Accept your offer of admission by **December 10, 2027**.

CAMPUSES AND COMMUNITIES

You belong here.

Laurier is a university to call home. No matter where you choose to study—Brantford, Milton or Waterloo—you'll **experience the welcoming, student-focused community that we're known for.** Across all three campuses, elevating your personal and academic growth is at the heart of everything we do. Our campuses also play important roles in the cities where they are located, expanding your connection to the community around you.

Brantford Campus

Laurier Brantford is where big dreams meet small-city charm, offering small class sizes inside beautifully restored buildings (like the Carnegie Building). You'll also have full access to the athletic and recreation facilities at the Laurier Brantford YMCA. Plus, with one-stop centralized student services — like advising, international student support and career development — located in One Market, you'll always have convenient access to the resources you need to thrive.

Choose from over 20 unique, in-demand programs focused on humanities and social sciences, education, social work, health and community leadership. Take advantage of hands-on learning built into your degree, like community projects and placements to expand your education.

The City of Brantford offers a friendly and welcoming community and affordable living options, making it an ideal place to study, live and explore.

MULTI-CAMPUS approach ensures quality of academics and experience, wherever you choose to study.

STUDENT-FOCUSED campuses ensure you're always close to classes, residence, services and amenities.

SAFETY FIRST
Special constables, a campus safety app and safe walk home service put your safety first.

Milton Campus

Laurier Milton is designed for the commuter student, offering flexible learning options with a mix of in-person and online courses. Small class sizes let you build meaningful connections and easy access to Milton's public transit makes it simple for you to be stress-free while living off campus.

Choose from established STEM-focused programs like Business Technology Management, Computer Science or Psychology. You can also customize your degree with minors and electives to get the quality education you need for future success.

Located in the Greater Toronto Area, Milton is one of Canada's fastest-growing and most diverse towns, with a thriving job market, growing tech sector and welcoming atmosphere. Explore more than 60 parks, visit local museums and try out downtown restaurants to experience all the community has to offer.

Waterloo Campus

Laurier Waterloo offers the full student experience on a traditional campus with modern facilities, like the new Savvas Chamberlain Music Building and the internationally recognized Lazaridis School of Business and Economics, alongside active spaces like Ansley Alumni Field.

Choose from over 60 industry-recognized programs across arts, science, business and music, then customize your learning by pursuing a double degree, double major, complementary minor or interesting electives. Take your learning outside the classroom with co-op, community placements, volunteering and international exchange to make every year of your degree meaningful.

In the City of Waterloo, you'll find thriving tech and start-up sectors combined with arts, culture and nature. Your OneCard lets you use Grand River Transit to explore all this student-friendly city has to offer and additional transit options make it easy to get to nearby cities, including Toronto.

“ I heard that **the student community here is really good** and it is. The best part is running into people you know, that feeling of knowing people and the **sense of belonging.**”
